

# UCCS Psychology Department - Purchase Request (PR)

Please provide all the information required below and return to department approver, Andrea Williams (awilliam@uccs.edu), in advance of purchase. Purchases made with contract, gift, or grant funds must have additional documentation explaining how the purchase complies with the donor or sponsor's budget and project goals. Incomplete forms will be returned to the requestor for more details.

Purchases must be made with approved university purchasing processes (e.g., procurement card, purchase order, standing purchase order, etc.). **Going to any store or business and purchasing an item or service and then asking for reimbursement IS NOT an approved university purchasing method.** There are some exceptions to this rule, so check with David DuBois or Adriana Pivarnick to make sure your purchase is allowable before taking action. Any alcohol, food, or meal purchase is considered a sensitive purchase and may require pre-approval and additional documentation.
