## STUDENT EVALUATION OF PRACTICUM SITE

Directions: Please complete this form ANONYMOUSLY to provide information to potential students who may wish to consider the Practicum site at which you are working. Please return directly to David Dubois (ddubois@uccs.edu), UCCS Psychology Dept., 1420 Austin Bluffs Pkwy., Colorado Springs, CO 80918.

**Date:**

**Name of Practicum Site:**

### Supervisory Experience:

How did your supervisor approach supervision (e.g., focused specifically on cases, or talked about me and cases, etc.)?

How open was your supervisor to feedback?

Was your supervisor consistent with appointments?

Did your supervisor give you enough time?

To what extent was your supervisor supportive of you and your efforts at the site?

### Placement Experience:

To what extent did you receive enough exposure to cases that you wanted?

To what extent was the placement supportive of your efforts as a trainee?

To what extent was the placement too demanding given your time constraints?

**Please describe what you did at your placement in detail (e.g., time there working with actual clients, time spent with other staff in staffing, time spent reading, time spent in supervision, types of clients, etc.):**

**Please provide any additional comments about your site that would be helpful for future students who are looking for a placement:**
